Power of One is striving to send some local kids in-need to camp! Kerr Street Mission (KSM) believes that every child should have the chance to experience camp and all the special memories that summer camp brings. As fun and exciting as summer camp can be - for so many, the reality is that the summer camp fees are often way beyond their budget. They simply can't afford to send their child to camp. Through the sponsorship of a child you can help send a kid to camp. \$160 will send a kid to camp for one week. Can you help us reach out and create some summer fun for the children of Oakville? If so make your cheque out to St. John's United Church or put some cash in an envelope and mark it Power of One/KSM Account.

Power of One team is starting a Buy an Acre Campaign to add to our support of the Canadian Foodgrains Bank. The Pasta Dinner revenue of \$2120 has already been added to the 2019 Buy an Acre poster (3 and 1/2 acres) so the next stickers to go on the poster will reflect balance forward from last year and donations made this year. Remember that the government will quadruple our donations and your money goes a long way with administrative costs of only 3% at CFB. Please consider making a donation to St. John's for the CFB through June.

Thank you!

PARKING! Please make sure you are not parking in private parking spaces! There are many rentals and tenants in the nearby properties!

Product of the Month: The Kerr Street Mission in need of basic kitchen staples such as **flour and sugar**. Please use the bins located in the Narthex and in the lobby just outside the office.
